MEMORANDUM

TO: Lexington Area MPO Transportation Policy Committee (TPC) and all TPC Subcommittees
FROM: Max Conyers, MPO Transportation Planning Manager/Executive Secretary
SUBJECT: Notification of Administrative Modification #2 to the FY 2013–FY 2016 Transportation Improvement Program (TIP) and Administrative Modification #33 to the 2035 Metropolitan Transportation Plan (MTP)

On August 19, 2013, The Lexington Area Metropolitan Planning Organization issued Administrative Modification #2 to the FY 2013 – 2016 TIP and Modification #33 to the 2035 MTP.

Administrative Modification #2:

This action updates the previously published documents and tables. This project being added to the TIP is classified as a Grouped Project* (Recreational Trail Program) and does not impact financial constraint of the document. The changes are:

- Table 6A – Brighton Rail Trail – Phase 4 - add project to construct 2,600 feet of trail linking to the existing 1 mile trail from Liberty Road to Man o' War Boulevard. The project is to be funded with Recreational Trails Program funding.

* The identification of Grouped Projects involves a commitment of additional funding by the project sponsor. The additional funding maintains financial constraint of these documents. A listing of Grouped Projects has been included in the TIP allowing planning process stakeholders and the general public to be informed of the types of potential projects that may be added to the TIP by Administrative Modification. TIP actions for these projects will not require additional public review, demonstration of fiscal constraint, or a conformity determination (if applicable).

An updated TIP page is attached. The Administrative Modification has been posted on the MPO website at www.lexareampg.org
